

Certificate of Adoption

The background of the certificate is a dark space scene. In the upper left, a bright yellow star is partially visible with a faint orbital ring. In the upper right, a blue planet with white clouds is shown. In the lower center, a satellite with blue solar panels and various instruments is depicted. The text is overlaid on this background.

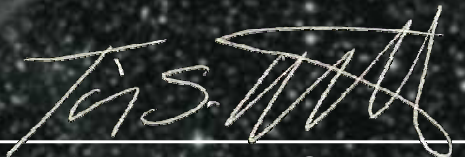

This certifies that

Your Name Here

has adopted a star from the Pale Blue Dot project
to support the scientific research efforts of the
Kepler Asteroseismic Science Consortium.

Adopted star: KIC12345678

<http://whitedwarf.org/palebluedot/>

A handwritten signature in white ink, appearing to read 'T. S. M.', is written over a horizontal line.
